Application for the Bruce Drysdale Dual Language Program

This is an exciting program where children learn in English and Spanish at the same time. The program starts in Kindergarten and continues every year until 5th grade. Kindergarten is an immersion program where 80% of the curriculum is taught in Spanish. Beyond kindergarten, English curricula in reading and writing are added. The goal of the Bruce Drysdale Dual Language Program is for the children to acquire oral language skills and literacy in both English and Spanish, to exceed academically, as well as to become bicultural. Space is limited and enrollment for this program begins in Kindergarten.
