FAQ:

May I eat with my child in the cafeteria?

Yes! Check with your child's teacher for lunch times. We request that you not bring food from restaurants or send soft drinks. It is a special event for your child just to have you visit for lunch, so enjoy the lunch being served by our cafeteria staff, or bring a home-packed lunch.

Where do I go to drop off or pick up my child?

When entering the school, continue driving straight and around to the circle. Please pull all the way to the white line to accommodate as many cars as possible. Please stay in the car and a staff member will assist your child in entering or exiting your car.

Can I pick my child up early?

Since your child will be missing valuable instructional time, we ask that you strive to only pick up your child early in emergency situations.

How does my child earn perfect attendance?

Your child will earn perfect attendance if they arrive on time every school day and stay for the entire day.

What do I do if my child needs to go home a different way?

All dismissal instructions or changes must be communicated to the teacher in writing each morning.

How can I access my child's attendance records and grades?

You may view attendance records and grades online through PowerSchool at <https://hcps.powerschool.com/public/>. Information on parent accounts will be distributed at the beginning of each school year.

How can I contact my child's teacher?

The teachers are busy teaching from 8:00am-3:00pm and will only be able to take phone calls before or after school. You may check the teacher's website at <http://www.hendersoncountypublicschoolsnc.org/ccs/staff/> and send them an email via the link provided on their site. You may also send them a note in your child's blue communication folder. If someone from the school has called you, they will leave a message. Please check your voicemail before returning the call.
