

Rugby Middle School

School Vision: Rugby Middle School strives to create a learning environment of high expectations that promotes acceptance for all students; honors and celebrates diverse learning styles, cultures, and opinions; and prepares them for a global society.

School Mission Statement: The Rugby Middle School community is committed to sharing the responsibility for creating a diverse learning environment where all students are embraced and empowered so they can achieve their full potential in the 21st century.

School Beliefs (Core Values)

- ❖ We believe students will care when they know how much you care.
- ❖ We believe education is a partnership involving student, teacher, parent, and community.
- ❖ We believe all students can succeed.
- ❖ We believe in promoting the expectations of Responsibility, Manners, and Spirit.
