Our Mission at Fletcher Elementary

FLE: FOCUS, LEARN, EXCEL!

December 10, 2017

Dear parent or guardian:

We hope that you and your family have gotten off to a good start. We are thrilled to have your student here at Fletcher!

Our school is proud to be a Title I School, which means that we receive additional funding that supports student learning. Title I schools are also required to keep parents like you notified about what's going on in our school. Specifically, Title I schools must communicate about opportunities for parents to be involved in school and about your rights as a parent.

Our school develops a Parent Engagement Plan every year. With parent input, we identify our priorities, rank them, and then schedule parent sessions designed to involve everyone. We've scheduled some meetings to work on our Parent Engagement Plan; please watch out for an announcement about our next meeting. We'd love for you to join us!

Finally, our school is proud of our teachers and we are pleased that federal guidelines require that we provide information about their education and qualifications. You have the right to the following information:

- The level of achievement attained by your child on each of the state academic assessments
- The subject, purpose, length, participation requirements and other characteristics of state academic assessments
- Whether the teacher has met the state qualifications for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under an emergency or other provisional status through which the state qualifications have been waived;
- What baccalaureate degrees have been earned by the teacher, along with the field of study and any other certifications;
- Whether your child is provided services by paraprofessionals and, if so, their qualifications; and
- Whether your child has received four weeks or more of instruction by a non highly-qualified teacher.

In addition, you will find that we have attached the school district report card. Should you have questions about that or any of the information above, please contact the school or Matt Gruebmeier, Director of Student Services, at 828-697-4733.

Sincerely,

Jennifer Shelton, Principal
