

HCEC School Improvement Team
Meeting Minutes
April 23, 2018

Opening:

The regular meeting of the HCEC School Improvement Team was called to order at 2:59 p.m. on April 23 in Room 124 by Mrs. van der Sluijs.

Present:

Matt Witt	Beth Caudle	Tyler Honeycutt	Frank Scarduzio
Ben Morris	Elizabeth Prince	Marriette van der Sluijs	Cody Frady
Sherry Heath	Mandi Willingham	Natalie Pierce	Nicholas Faherty

Agenda:

Mrs. Caudle:

- Reviewed ACT results, focused on the NC Minimum benchmark scores for Math, Science, English(grammar), and Reading scores. English was down from last year's score. Most all students improved or stayed the same from their PreACT testing. One student did not make effort in taking the ACT, this did affect the scores as a group. Mr. Morris is working on the comparison charts.
- Applicants finalized and invited 45 freshmen and 5 sophomores. Ms. Willingham noted that all applicants have been notified and that we were able to take all upperclassmen applicants.
- Science Olympiad results from the Raleigh trip were good. Mr Morris and Mr. Honeycutt agree this was a good experience for the students and they did well in the competitions.
- Prom 2018 was a success, food was amazing, provided by Career Academy Prostart. Mr. Witt gave a shout out to SGA president Lisa Scarduzio for her leadership and organization of the prom.
