Dear Parent:

Once a year, the state of North Carolina provides you with updates on your child's school's achievements through the North Carolina School Report Card. This includes important information about school and student performance, class sizes, attendance, school safety, instructional resources, and teacher quality.

There also is information about how our school measured against federal Annual Measurable Objectives (AMO) targets in our school.

The N.C. General Assembly is requiring that schools receive individual letter grades, which are comprised of student achievement (80 percent) and growth (20 percent) on state standardized assessments.

At Hendersonville High School we are constantly making sure our students receive everything they need to be successful in their future endeavors. We have a strong tradition that permeates throughout the school in everything we do. Our academics have always been, and continue to be, a top priority. Our proficiency scores are consistently high and we continue to prepare all of our students to move on to top rated colleges and universities. We believe all of our students make HHS a great place learn and this report card reflects that.

Available on our school's website is a summary of our Report Card.

Thank you for your investment in your child's school, and for supporting our efforts to provide your child with a high-quality education.

Sincerely,

A handwritten signature in black ink that reads "W Robert Wilkins".

W. Robert Wilkins
Principal
