

Internet Safety Form for HCPS Substitutes

Internet Safety Information

Each HCPS staff member must complete an annual review and attestation for HCPS technology-related policies. For substitutes, policies must be reviewed and this form must be completed on an annual basis.

Policies and Regulations

Please visit https://www.boardpolicyonline.com/bl/?b=henderson_county and review the following policies:

- **3220:** *Technology in the Education Program*
- **3225/4312/7320:** *Technology Responsible Use*
- **3226/4205:** *Internet Safety*
- **3227/7322:** *Web Page Development*
- **3230/7330:** *Copyright Compliance*
- **7335:** *Employee Use of Social Media*

Training Attestation

- I have read and understand the HCPS technology-related policies.
- I understand and will strictly comply with the requirements set forth in district technology policies and acknowledge awareness that the school system uses monitoring systems to monitor and detect inappropriate use of technological resources.
- I will support the instruction of students in internet safety practices as appropriate in my job.

I, _____, agree to the above statements.
