HELP ~ Henderson County Public Schools

HELP Resource Guide

The following is a list of resources designed to coordinate services for homeless youth and families, in accordance with the *McKinney-Vento Act*. To address the provisions set forth in the act, Henderson County Public Schools has adopted “HELP”, the Homeless Education Link Project, with two working case managers available during the school year. The goal of this project is to help identify and address the needs of homeless students and their families, to develop enrollment procedures to ensure ongoing education success for homeless students, and to serve as liaisons between schools, qualifying students, and services within the community.

HELP Case Managers serve as homeless liaisons for youth in each of the public schools in Henderson County.

HELP ~ Henderson County Public Schools

NOTES:

The Federal Government's definition of homelessness under the *McKinney-Vento Act* refers to anyone who:

- Lacks regular, fixed, and adequate nighttime residence.
- Is sharing housing due to economic struggles, (doubled-up).
- Is living in a shelter, hotel or motel.
- Is sleeping in a place that is not designed for sleeping (cars, parks).
- Is an unaccompanied youth.
- Is living in a substandard and/or inadequate housing.
- Is a migrant child who qualifies under any of the above.

The HELP Case Managers of HCPS can provide support, resources and information regarding the rights of students to any in the area with school age children.
