## Important Information

### Grading and Report Cards

Report cards are sent to the parents approximately 5 working days after the end of each grading period. Parents can also access grades through the Powerschool Parent Portal. The following is an explanation of the meaning of the grades on the report cards:

HCPS offers a variety of honors and AP classes which are more academically challenging and in which instruction moves at a faster pace than in regular classes; therefore students included in these classes must meet admission standards.

Grade	Numerical Grade / Reason
A	100-90
B	89-80
C	79-70
D	69-60
F	59-0
I	Incomplete Work
FF	Credit withheld for Excessive Absences

### Weighted Grades

Henderson County Public Schools will follow the state mandated grading scale, and all courses on a student's transcript will be weighted according to the state scale. Basic courses carry the following quality points; A-4, B-3, C-2, D-1. Honors classes will receive 1/2 additional quality point, and Advanced Placement classes will receive 1 additional quality point.

### Class Rank

Class rank is determined by grade point average (GPA) based on the weights listed above. Class rank for purposes of determining Honor Block, speakers at graduation, NC Scholars, and Junior Marshals are determined after the third nine weeks grading period.

### Advanced Placement (AP) and Honors Classes

## Academic Honors

### Honor Rolls

North Henderson High School has 2 honor rolls determined at the end of each of the 4 quarterly grading periods. The "A" honor roll includes all students who have all "A's." The "A-B" honor roll includes all students who have all "A's" and "B's."

### National Honor Society

North Henderson has a chapter of the National Honor Society whose members are inducted on the basis of character, scholarship, leadership, and service. Information about the NHS may be obtained from the faculty sponsor at North.

Induction into the CTE Scholars Program requires students to meet several criteria including: completion of specified CTE courses, 3.25 GPA in all CTE courses, 3.0 GPA overall, Membership in a CTE organization, application process, and recommendations.

### Honor Block

GPA is calculated after the 3rd 9 weeks for seniors to qualify for Honor Block. Students who have maintained a 3.9 weighted GPA or are in the top 5% of the class (whichever yields the most students) will be recognized as Honor Block Students.

GPA is calculated after the 3rd 9 weeks for juniors who qualify as Junior Marshals. Junior Marshals will be identified in 1 of 2 ways at the principal's discretion: top 10% of the junior class OR the top 15 students.
