Hello Sugarloaf Families,

Today we are beginning our second annual Read-a-Thon Challenge! It is a multi-level challenge.

- During the first week of our challenge, students in grades K-2 are challenged to read 20 minutes per night for seven nights in a row. (This includes the weekends.)
- Students in grades 3-5 are challenged to read 40 minutes per night for seven nights in a row.
- An adult will need to initial the student’s reading log to verify that the reading took place.

At the end of week 1, students must return their reading log to the school in order to collect a prize. Logs must be turned in by the end of the day on April 27th so that minutes can be added up and prizes distributed.

Students will then pick up a new log for the second week’s challenge. If they complete their second week’s challenge, and return their second log to the school by the end of the day on May 4, they will collect a second prize. Students who complete both challenges will be able to participate in our Grand Event!

It is important that logs be turned in by the due dates so that we can count minutes and record names for prizes.

We have over 400 students participating!
We are Sugarloaf! Hear us ROAR!
