

<p style="text-align: center;">HENDERSON COUNTY SCHOOL BOARD POLICY</p>	<p style="text-align: center;"><u>BUSINESS & NON-INSTRUCTIONAL OPERATIONS</u> Control of Data Processing Materials</p>	<p style="text-align: center;">525</p>
--	---	---

CONTROL OF DATA PROCESSING MATERIALS

The Board hereby vests ownership in the Henderson County Public School System of all System flowcharts, records designs, management justifications and reviews, program flowcharts, computer programs written or otherwise recorded, other computer hardware and software developed for use by the System, test data, Unit program tests, System tests, volume tests, audio-tape recordings, video tape recordings, video tape recordings, and any and all other documentation and processes created by data processing personnel as well as any technological process and products that develop and come into use in this System in the future.

The lease, sale or unauthorized use, copying or removal of this material may subject the individual(s) to immediate dismissal and/or procedures in civil action unless otherwise approved by the Superintendent.

The copyrights for any and all materials and processes governed by this policy are hereby reserved world-wide by the Henderson County Board of Public Education, subject to the copyright laws of the United States.
