**OFFICIAL STATEMENT
OF HOMELESS YOUTH
OR
MIGRANT YOUTH**

Homeless and migrant students experience significant barriers to enrollment, attendance, and success in school. Federal and state laws require LEAs to enroll homeless and migrant children and youth immediately. The McKinney-Vento Homeless Assistance Act of No Child Left Behind Act of 2001 requires that schools “*must immediately enroll the homeless child or youth, even if the child or youth is unable to produce records normally required for enrollment, such as previous academic records, medical records, proof of residency, or other documentation*”.

The enrolling school, as required by law, must immediately contact the school last attended by the child or youth to obtain relevant academic or other records. If a child or youth needs to obtain immunizations, or immunization or medical records, the enrolling school must assist in obtaining necessary records.

This is to certify that it has been determined that the above-referenced student meets the criteria of being identified as

- a homeless youth or
- a migrant youth and

I attest to the fact that the student currently resides on the property listed above and attest, as proof of residency, that this is their current domicile.
