The Henderson County Public School System recognizes the value of, and encourages the scheduling of, field trips outside the school setting both to build upon the curriculum objectives and to broaden student experiences beyond the classroom. In that regard, all field trips are planned, organized, and supervised with the student's welfare first and foremost. All field trips are supervised by school staff, and transportation is provided in safety-approved vehicles. However, as in all situations, accidents may occur. With these things in mind, if you, as the parent, would like to have your child participate in this field trip, please read, sign and return the *Parent Permission Form* below.
