

2023-2024 ANNUAL PUBLIC NOTICES

At the beginning of each academic year, School Districts are required, pursuant to federal and state laws and regulations, to provide students and their parents with certain annual notices. Below is the Campbell Shatley model annual public notice that includes all the required notices for all students in grades K-12.

At a minimum, your School District's annual public notice must include all the items listed below; however, your School District's notice can include additional items, including notices regarding use of school technology and the Internet.

A. Student Records: Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act ("FERPA"), a federal law, gives parents and students who are eighteen (18) years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

- The right to inspect and review the student's education records within forty-five (45) days of the day the school receives a request for access. You should submit to the school principal a written request that identifies the record(s) you wish to inspect. The principal will make arrangements for access and notify you of the time and place where the records may be inspected.
- The right to request an amendment of the student's education records that you believe are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. You should write the school principal, clearly identify the part of the record you want changed and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when you are notified of the right to a hearing.
- The right to provide written consent to disclosures of personally identifiable information contained in the student's education records. FERPA requires that the school obtain your written consent prior to the disclosure of any such information with certain exceptions. School Officials with a legitimate educational interest are an exception and do not need parental consent. For a complete list of the disclosures that elementary and secondary schools may make without parental consent see 34 CFR Part 99.37. A school may disclose personally identifiable information ("PII") from the education records of a student without obtaining prior written consent to:
 - Officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer;
 - Authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) of North Carolina (Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal- or State-supported

- education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met.);
- Financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid;
 - State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released;
 - Organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction;

 - Parents of an eligible student if the student is a dependent for IRS tax purposes.
 - Comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in connection with a health or safety emergency;
 - Agency caseworker or other representative of a State or local child welfare agency or tribal organization who is authorized to access a student's case plan when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student in foster care placement; and
 - The Secretary of Agriculture or authorized representatives of the Food and Nutrition Service for purposes of conducting program monitoring, evaluations, and performance measurements of programs.
- A School Official includes any of the following when that person has a "*legitimate educational interest*" in having access to the information:
 - a. Any administrator, supervisor, instructor, certified staff member, or support staff member (including health, medical, safety, law enforcement unit personnel, and security staff) employed by the school district;
 - b. A school board member;
 - c. A contractor, consultant, volunteer, or other party who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records and is subject to FERPA requirements governing the use and redisclosure of PII from education records, including but not limited to, an attorney, auditor, cloud storage provider, consultant, expert witness, hearing officer, law enforcement unit, investigator, insurer/insurance company adjuster, investigator, or any other claims representative, medical providers or consultants, or counselors/therapists;
 - d. A person serving on a committee appointed by the school board or by the administration of the school district, such as a disciplinary or grievance committee or other review committee.

- e. A school official has a "legitimate educational interest" if the official needs to review an education record in order to fulfill his or her professional responsibility.
- The School District may release "directory information" about a student unless you have advised the school to the contrary. The School District has designated the following information as directory information:

Student's Name	Degrees, honors, and awards received
Address	Date and place of birth
Telephone listing	Electronic mail address
Photograph	Participation in officially recognized activities and sports
Major field of study	Weight and height of members of athletic teams

 - ii. The annual yearbook;
 - iii. Honor roll or other recognition lists;
 - iv. Graduation programs; or

- Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to you, § 99.32 of the FERPA regulations requires the school to record the disclosure. You have a right to inspect and review the record of disclosures.
 - Directory information may also be disclosed to outside organizations without your prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.
- In addition, under federal law, we are required to provide military recruiters and institutions of higher education, upon their request, with the names, addresses and telephone numbers of high school students unless the student or parent has advised the school that they do not want such information disclosed without their prior written consent.
- If you do not want the school to disclose some or all of the directory information described above from your child's education records to all or certain recipients without your prior written consent, the School District must be notified in writing within fourteen (14) days of the beginning of the school year or within fourteen (14) days of your enrolling in the School District. For your convenience, a form that can be used

for this purpose is provided at the end of this Notice. An "opt out" is perpetual and can only be rescinded in writing.

- You have a right to inspect and review the record of disclosures.

F. Student Health: N.C.G.S. § 115C-375.4

With the passage of N.C.G.S. 115C-375.4, the School District must provide families with information on Influenza and Meningococcal diseases and the vaccines that are available to prevent each. Influenza ("flu") is caused by a virus that spreads from infected persons to the nose or throat of others. Influenza can cause fever, sore throat, chills, coughs, headache, and muscle aches.

Anyone can get influenza. Most people are ill with flu for only a few days, but some get much sicker and may need to be hospitalized. Influenza causes an average of 36,000 deaths each year in the U.S., mostly among the elderly.

Influenza vaccine is available in two types. Inactivated (killed) flu vaccine, given as a shot, has been used in the U.S. for many years. A live, weakened vaccine, FluMist, was licensed in 2003. It is sprayed into the nostrils. It is available for persons age 5-49 years of age. Influenza viruses change often. Therefore, influenza vaccine is updated every year. Protection develops in about two weeks after getting the shot and may last up to a year. The best time to get the vaccine is in October or November. Contact your local health department or physician for more details on cost and time vaccine will be available.

Meningococcal disease is a serious illness, caused by bacteria. It is the leading cause of bacterial meningitis in children 2-18 years old in the United States. Meningitis is an infection of the brain and spinal cord coverings. Meningococcal disease can also cause blood infections. About 2,600 people get meningococcal disease each year in the U.S. Ten to fifteen percent of these people die, in spite of treatment with antibiotics. Of those who live, another 10% have chronic complications. It is most common in infants less than one

year of age, international travelers, and people with certain medical conditions. College freshmen, particularly those who live in dormitories, have a slightly increased risk of getting meningococcal disease.

Learn more about these vaccines by consulting with your family doctor or nurse or contacting the Henderson County Department of Public Health at 828-692-4233 or contacting the Centers for Disease Control and Prevention (CDC) at 1-800-232-2522 (English) or 1-800-232-0233 (Spanish) or visiting <http://cdc.gov/vaccines/>.

G. Student Health: N.C.G.S. § 115C-47(51)¹

North Carolina General Statute § 115C-47(51) requires schools to provide information concerning cervical cancer, cervical dysplasia and human papillomavirus and the vaccines available to prevent these diseases.

Information on these diseases and the vaccines can be found at www.cdc.gov/vaccines/vpd-vac. Those individuals without internet access can contact a school nurse or the Henderson County Health Department at 828-692-4233.

H. North Carolina Safe Surrender Law²

Pursuant to **Article 5A of Chapter 7B of the General Statutes** an individual may legally surrender their newborn baby to a responsible adult without fear of criminal prosecution. While any responsible adult may receive a newborn, School Social Workers, School Nurses, counselors and law enforcement agents are examples of responsible adults who are familiar with this law. More information can be found at <http://www.ncdhhs.gov/assistance/pregnancy-services/safe-surrender>. Those individuals without internet access can contact a school nurse or social worker.

I. Asbestos Hazard Emergency Response Act

This notice is provided to you with information regarding the Asbestos Hazard Emergency Response Act (AHERA) Management Plan for the Henderson County Schools. AHERA is a provision of the Toxic Substance Control Act and was passed by Congress in 1986. It requires schools to "ensure that workers and building occupants, or their legal guardians, are informed at least once each school year about inspections, response actions, and post-response action activities, including periodic re-inspection and surveillance activities that are planned or in progress as well as the availability of the AHERA Management Plan for public review." (§763.84(c))

The AHERA Management Plan contains documents of the initial AHERA inspection, 6-month periodic Surveillances, Triennial re-inspections, employee training and Operations and Maintenance procedures.

If you have any questions regarding the AHERA Management Plan for this school district, you can contact Scott Masington at 828-697-4733.

4. for self-defense;
5. for the protection of persons or property; or
6. to maintain order on school property, in the classroom, or at a school-related activity whether on or off school property.

Except as restricted by G.S. 115C-391.1, school personnel may use appropriate seclusion and restraint techniques reasonably needed in the circumstances described above as long as such use is consistent with state law and applicable board policies and procedures. (See policy 4302, School Plan for Management of Student Behavior.)

Students must comply with all directions of principals, teachers, substitute teachers, student teachers, teacher assistants, bus drivers, and all other school personnel who are authorized to give such directions during any period of time when they are subject to the authority of such personnel.

L. Parental Information for Title I Schools

The following schools in this District receive federal funding through Title I: Atkinson, Bruce Drysdale, Clear Creek, Dana, Edneyville, Etowah, Fletcher, Hillandale, Mills River, Sugarloaf, and Upward. These funds are used to provide supplemental instruction to students who are in need of assistance in the area of reading and, on occasion, in the area of mathematics. Our goal is to provide early intervention to struggling learners.

Federal guidelines require that school districts provide a process by which parents may request the qualifications of their child's teacher. As a parent of a student in a Title I school, you have the right to know the following information:

- 1. Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- 2. Whether the teacher is teaching under emergency or other provisional status through which state qualifications or licensing have been waived;
- 3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;
- 4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

To request this information, please contact Dr. Shannon Marlowe at 828-697-4733.

M. Free or Reduced School Lunch

A free or reduced lunch application form, or instructions on how to access the application on-line, will be sent home with your child at the beginning of the school year. Please complete the form and return it to your child's teacher. You will be notified if your

child(ren) qualifies for free or reduced meal prices. All information is strictly confidential. For more information on participation in the Free or Reduced School Lunch program or questions about breakfast and summer lunch programs, see [Board Policy 6225](#) and please contact: Robert Rolfe at (828) 890-6310.

N. Student Discipline Policies

FERPA Opt-Out Letter Henderson County Public Schools

In the past, HCPS parents/guardians used a district-specific “Information & Media Opt-Out Form” to opt out of sharing certain student directory information, which is their right under the federal Family Educational rights and Privacy Act (FERPA). (Reference [U.S. Department of Education](#)) Beginning with the Fall 2021 semester, HCPS eliminated its district-specific form since the N.C. Department of Public Instruction has standardized the student directory opt-out procedures across North Carolina school districts through PowerSchool’s Parent Portal.

For the 2023-2024 school year, all “opt outs” in HCPS will be informed by parent and guardian answers to the required Parent Portal screening questions. (Reference: www.HCPSNC.org/parents/opt-out-info)

Answering “No” to the ParentPortal screening Question 1: “Do you grant permission to allow directory information for non-commercial purposes?” will exclude your child’s directory information (including name and photo) from use in all of the following:

- School yearbooks
- Media coverage of school activities / student awards
- School / district newsletters
- School / district social media
- Published honor roll lists
- Published graduation announcements and lists
- StudentAccess library service through HCPS

Parents/guardians will be prompted to indicate their preferences in the Parent Portal at the beginning of each school year, and may update those preferences at any time. Parents/guardians without Parent Portal access should contact their school’s data manager to create a Parent Portal account, or complete the paper copy (linked below) of the NCDPI screening questions.
