Clear Creek Elementary School Parent and Family Engagement Policy

What We Believe

At Clear Creek Elementary School, we believe that students learn best when every significant adult in their lives is involved in the educational process.

Our Mission

At Clear Creek, our vision is “Achieve Success at CCS!” Our mission is for our students to learn and succeed in a safe, enriching environment that promotes growth and independence. In order to achieve our mission, we maximize family and community engagement by sharing our goals and priorities with parents, by having family members involved in our school events and their child’s education frequently, and by sharing our successes and failures with our community. Because community support is crucial to learning at Clear Creek Elementary School, we strive to include all community members in our school, to provide a diversity of parent engagement activities, and to maximize parent engagement at our school activities.

During the 2025-2026 school year, Clear Creek Elementary School plans to conduct the following Parent Engagement Activities.

- August 7: Meet the Teacher
 - Grades K-5 3:30-5:30
- August 19: Grades 1, 3, 5 Annual Title I Parent Information Meeting
 - (Interpretation Services Provided)
- August 21: Grades 2,4 Annual Title I Parent Information Meeting
 - (Interpretation Services Provided)
- End of first nine weeks: Fall Parent Conferences
- September 24: Boosterthon Fun Run
