## **2023-2024 Parent Engagement Policy**

### **What We Believe**

At Dana Elementary School, we believe that students reach their fullest academic potential when a significant adult in their lives is vested in the educational process.

Lo que creemos

En la Escuela Primaria Dana, creemos que los estudiantes alcanzan su máximo potencial académico cuando un adulto importante en sus vidas se involucra en el proceso educativo.

### **Our Mission**

At Dana Elementary, our vision is “to know our worth and use our gifts to create positive change.” In order to achieve our mission, we share our goals with parents in hopes of maximizing family and community engagement. The engagement of many community resources were prevalent to meet the needs of our students and families, we maximized so many of our resources to ensure we met the diversity of family needs.

En Dana Elementary, nuestra visión es "conocer nuestro valor y usar nuestros dones para crear un cambio positivo". Para lograr nuestra misión, compartimos nuestras metas con los padres con la esperanza de maximizar la participación de la familia y la comunidad. La participación de muchos recursos comunitarios prevaleció para satisfacer las necesidades de nuestros estudiantes y familias, maximizamos muchos de nuestros recursos para asegurarnos de satisfacer la diversidad de necesidades familiares.
