Dear Edneyville Elementary School Parents and Guardians,

We hope this letter finds you well and that you are enjoying the start of the school year. As the Principal of Edneyville Elementary School, I would like to inform you about our school's Title I program and your rights and opportunities as parents and guardians of our students.

Title I is a federally funded program that provides additional resources and support to schools with a high percentage of students from low-income families. The goal of Title I is to ensure that all students have the opportunity to receive a high-quality education and to help close the achievement gap.

At Edneyville Elementary School, we receive Title I funding to enhance the educational experience of our students. These funds are used to support various programs and initiatives, including:

1. Small group instruction: Title I funds are used to provide targeted, small group instruction to students who need additional help in reading and mathematics.
2. Professional development: Our teachers and staff receive training and resources to improve their instructional practices and better meet the needs of all students.
3. Family engagement: We encourage and support the involvement of parents and guardians in their child's education through workshops, meetings, and other activities.
4. Resources and materials: Title I funds are used to purchase educational materials and resources to support student learning.

We believe that parents and guardians play a crucial role in their child's education. As a Title I school, we are committed to providing opportunities for you to be actively involved in your child's learning journey. Here are some ways you can be engaged:

1. Attend parent-teacher conferences and meetings to discuss your child's progress and educational needs.
2. Participate in workshops and training sessions that can help you support your child's learning at home.
3. Volunteer at our school and get involved in various school activities and events
4. Share your ideas, concerns, and feedback with us to help us improve our Title I program and overall school experience.

Additionally, we want to inform you of your rights as parents and guardians of students in a Title I school:

- You have the right to be involved in the development of our school's Title I plan and budget.
- You can request information about the qualifications of your child's teachers and paraprofessionals.
- You have the right to request and receive regular updates on your child's progress and assessment results.
- You can be involved in the decisions regarding the services your child receives and be informed if your child is taught by a teacher who is not highly qualified.
- You have the right to request information on the professional qualifications of our school's staff.

We are dedicated to working together with parents and guardians to ensure the success of every student at Edneyville Elementary School. If you have any questions or would like to learn more about our Title I program, please feel free to contact the school. We look forward to your active participation and collaboration as we strive for excellence in education.

Thank you for your continued support and involvement in your child's education.

Sincerely,

Andrew VunCannon
Principal
Edneyville Elementary School
