Dear Parent/Guardian:

At East Henderson High School, our staff greatly appreciates the support shown to us by our students, families, and community during this time of remote learning. As we all navigate the challenges of this new school year, our students have successfully begun to make connections with our staff and have exhibited a commitment to being engaged learners through remote learning.

Even with this successful start to our year, we continue to focus on ways that our school can grow and improve in order to better serve all students. This year, East Henderson has been designated as a Targeted Support & Improvement-Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is under-performing. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-AT school, East Henderson is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. For example, our comprehensive plan will focus on the areas outlined in our school improvement plan, which can be found on our website, or through this link:

Parent engagement is at the heart of our school improvement efforts. Here are some ways you can help:

- Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call our Counseling Department at 697.4768 if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your student.
- Make sure that your student is prepared and attends school each day.
- Monitor your student's homework.
- Monitor the progress your student is making and attend meetings with your student's teacher(s).
- Keep track of our website at <http://www.hendersoncountypublicschoolsnc.org/ehh/>.

Preparing our students so that they can succeed is not easy and is a group effort. If you are interested in accessing additional resources that can help your child or your child's school, please contact your child's teacher/s or the principal.

If you have questions about the content of this letter, please contact me at bkscott@hcpnsc.org or 828.697.4768.

Sincerely,
