BID ADDENDUM RFP # 2023-07-REBID
ISSUED: JANUARY 5, 2024
ADDENDUM#: 01
SUBJECT: QUESTIONS

1. Is this for robots and stands only or should software be quoted as well? (I didn't see where software was mentioned but wanted to confirm to be sure.). Answer: ***We only intend on using free software included with Swivl like the Free tier of Swivl Cloud and Swivl Capture mobile applications.***

2. Once the bid closes, do you have an estimate as to when it will be awarded? Answer: ***Once reviewed by the committee and a decision is made, the award should be in less than 45 days. Our intentions are to complete this as soon as possible.***

3. Do you have a timeframe for when the purchase will occur once it's awarded? I noticed the June 30th date referenced in the bid. Could it be any time prior to this date? Answer: ***The June 30th date is the end of our fiscal year. Any additional unit purchases could not go beyond this date. Our intention is to order the units listed as soon as the award has been made with hopes of delivery between 14 and 30 days.***

4. Is there a known timeline on when the district would be moving forward with this project, assuming a suitable bid is received? Would the purchase likely take place after January 2024? Answer: ***It is possible the purchase would take place after January 31, 2024. If a suitable bid is received and based on the dollar amount, the purchase could potentially require Board approval and the next Board meeting is scheduled in February.***

Henderson County Public Schools reserves the right to reject any or all bids for sound documented reasons.
