Dear Parent/Guardian:

I hope that you and your child are having a good school year. As a parent/guardian of a student in Hillandale Elementary School, I am writing this letter to let you know about a couple of our successes. Last year, we had our second year of implementation of Leader in Me and our students made growth.

As with any success, we also target room to grow and improve. This year, Hillandale Elementary School, has been designated as a Targeted Support & Improvement- Additional Targeted Support (TSI-AT) school and a Targeted Support & Improvement- Consistently Underperforming (TSI-CU) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is under-performing. TSI-CU schools in North Carolina are those that have a subgroup that is consistently under-performing. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-AT / TSI-CU school, Hillandale is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. For example, our comprehensive plan will focus on the areas outlined in our school improvement plan, which can be found on our website, or through this link:

Parent engagement is at the heart of our school improvement efforts. Here are some ways you can help:

- Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call Katie Bradley at (828)697-4782 if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your student.
- Make sure that your student is prepared and attends school each day.
- Monitor your student's homework.
- Monitor the progress your student is making and attend meetings with your student's teacher(s).
