

The Storehouse's 2020 Blessings in Boxes

Do you anticipate that it will be difficult to provide Christmas gifts for your children this year? If so, our partnership will be working with local churches, faith communities, agencies, and businesses to make Christmas more special by providing clothing and toys for children whose families may have financial hardships and choose to participate. If you have any questions, please contact either your school's counselor or social worker.

You may participate by going to any of the schools listed below regardless of whether your children attend the school. You should bring the following: Children's clothing sizes and wish lists, last paycheck stub, and a valid form of ID (state issued ID/driver's license, passport, or social security card).

Bendiciones en caja de: The Storehouse's 2020

¿Usted piensa que va a ser difícil darle regalos de Navidad a sus niños(as) este año?

De ser así, nosotros colaboramos con Iglesias locales, agencias y negocios para trabajar juntos para hacer que la Navidad sea más memorable, proveyendo ropa y juguetes para los niños cuyas familias podrían tener dificultades financieras y elijan participar. Si tiene alguna pregunta, comuníquese con el trabajador social de su escuela o con su consejero escolar.

Por favor traigan con ustedes: La talla de ropa de sus niños y su lista de deseos, el último talón de cheque de pago y una identificación (como una identificación otorgada por el estado, un pasaporte, o su tarjeta de seguro social).
