Furthermore, the student must be committed to academic achievement and must possess the social skills to get along well with others. Students are expected to maintain passing grades.
4. Exchange student enrollment shall not exceed one school year, and students must have medical and accident insurance that meets or exceeds U.S. Department of State guidelines. Copies of these insurance policies shall be provided to the school as part of the application process.
5. The school shall not be expected to provide any financial assistance for educational or living expenses of the student.
6. An opportunity provided to any exchange student shall not cause denial of the same opportunity to a Henderson County student.
